

The Dental Care Club

Rittenhouse Smiles
General, Cosmetic & Implant Dentistry

We are pleased to offer the Dental Care Club designed for patients without dental insurance. We decided to offer this after a few of our patients approached us about opting out of their current insurance plans for reasons such as waiting periods, restrictions, downcoding and non-covered treatment. This is not an insurance plan, but rather a discount plan offered only to our patients. It is a yearly membership plan allowing you to receive significant benefits and savings in our practice.

The Dental Care Club fee includes

- 2 Cleanings
- 2 Exams
- Yearly checkup x-rays
- 15% discount on all other treatment within that year.

* Does not include emergency x-rays

* Periodontal deep cleaning not included but will be discounted at 15%.

1 YEAR \$397 2 YEAR \$717

Member's Name: _____

Signature: _____

Date: _____

My signature above declares that I have reviewed the above enrollment form, or had it explained to me. I am aware that the care club is a discount program and is not insurance plan. I am also aware of the benefits of membership in the Dental Care Club and have been given the chance to ask questions.

* Exams are defined as routine and periodic exams and do NOT include emergency exams or periodontal exams.

* Cleanings are defined as preventive procedures and do not include therapeutic and/or periodontal treatments.

* Year's enrollment begins the date of applicant's payment for the plan.

* No frequency rules are applied.
